***If unavailable*** to fulfill your responsibility please replace yourself with someone else on same rostered section (that is if you are on reading replace yourself with another rostered reader). If still can't find replacement contact service leader.

**Leader** - Email everyone on roster early in week to confirm availability of each person. Service leader is to lead in prayer in response to sermon.

**Reader** - Practice reading aloud during the week.

**Prayer** - Topic areas to focus on are UNEchurch, Armidale community and wider world. Please see prayer diary and choose a couple of current points. Remember it's a public prayer: Use language like WE, US, OUR. Keep it simple and biblical so we can all say amen at the end.

**Welcomer** - Get to church early to help set up bibles/anything else that needs to be done... Try to recognise new people and lookout for them during supper and throughout the week!

**Greeters** - Try come early to help give the new students a real welcome. It's too easy for them to slip away early (unnoticed) or only be spoken to briefly. We want you to try and look out for these people and help connect them with UNEchurch. Let's encourage others to join us by helping them feel welcomed and integrated.
